

Summer Greetings from Miss Butterworth!

Post Card

Dear SFX,

I was honored to be one of 25 Early Childhood professionals to be invited to participate in the Archdiocese of Chicago's inaugural Early Childhood Leadership Academy. It was inspiring to learn alongside some of our Catholic schools' very best preschool teachers!

Together we explored critical areas of focus including cultural responsiveness in classrooms, action and advocacy plans, the role of technology in Early Childhood learning, differentiation, family engagement and play. I am so excited to bring back new ideas and best practices to SFX!

Prior to my time at the Leadership Academy I enjoyed six weeks at SFX's Crusader Camp. We had a ball together and I especially loved meeting some of our new families who will be joining us this fall.

See you on August 23rd!

Miss Butterworth
