Please take a moment to answer the following questions.

1. If your child is has previously attended another K-8 school, please describe that program and his or her experience with it.

2. Please share any factors that may impact your child's progress in a school environment, such as learning challenges or support services, changes in a home/family situation, health issues, etc.

3. Why do you think that St. Francis Xavier School is a good match for your family? Should your child be admitted, what do you expect of your experience here?

4. Please indicate the ages of and current schools attended by your child's siblings (if applicable).

5. Please share any additional thoughts below that you would like St. Francis Xavier to consider in the evaluation of your child's application.

6. How did you learn about us? Did a specific SFX family recommend us to you?
